League Details

League Length	8 Weeks
Format	18 holes per week

How It Works

- Play one 18-hole round each week
- Scoring is based on Stableford points
- Your points are calculated using your current TrackMan Handicap
- Each weekly round must be completed by Sunday at midnight
- You may play your round ahead of schedule, but missed rounds cannot be made up
- Rounds may be played individually or in groups of up to four golfers
- Weekly simulator bookings are required
- League registration is $150
- Weekly prizes will be awarded across three divisions: Seniors, Men's and Ladies

New to TrackMan?

No problem!

New players must create a TrackMan account and complete one full 9- or 18-hole round without mulligans before beginning league play.

This establishes your TrackMan Handicap and ensures your league scoring is calculated accurately from the start.
